## **INTRODUCTION PRACTICE**

Now put together an introduction of your own on any topic you so wish, using some of the expressions we have covered thus far. Remember how important it is to be totally confident about this part of your presentation.

<b><i>Introduce Yourself</i></b>	Good morning everybody. As you may know, my name is Chengzhe and today I'll take a little bit of your time to talk about something that I'm fascinated about, which are mobile phones.
<b><i>State your Purpose</i></b>	In this presentation, my main focus is about the most recent advances in the world of mobile phones.
<b><i>Map your Presentation</i></b>	First, I'll talk about some of the recent mobile phones like the Iphone 17 series and the new features that they included. Later, I'll talk about the technology of image generation by AI on the camera app. Lastly, I'll ask the listeners for some questions that they may have.
